For us
our high school years

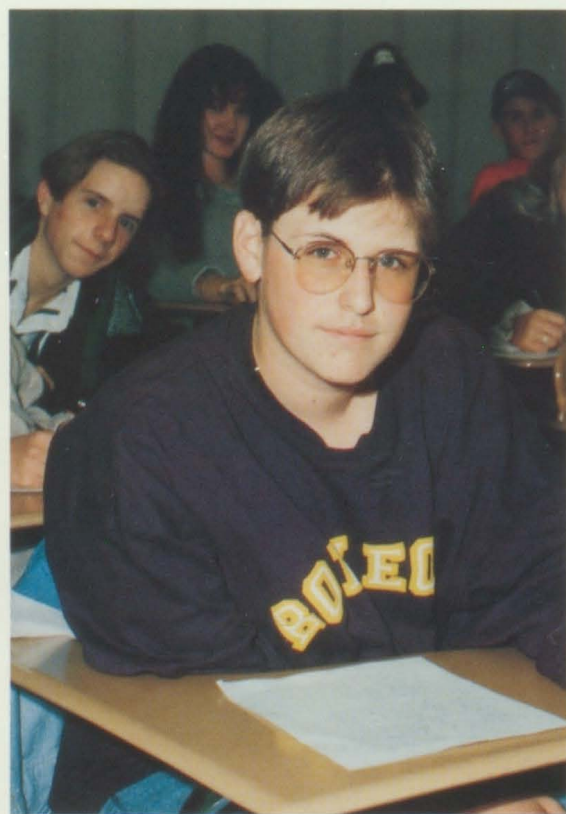

1994 Hambletonian

Chester High School
Chester, New York

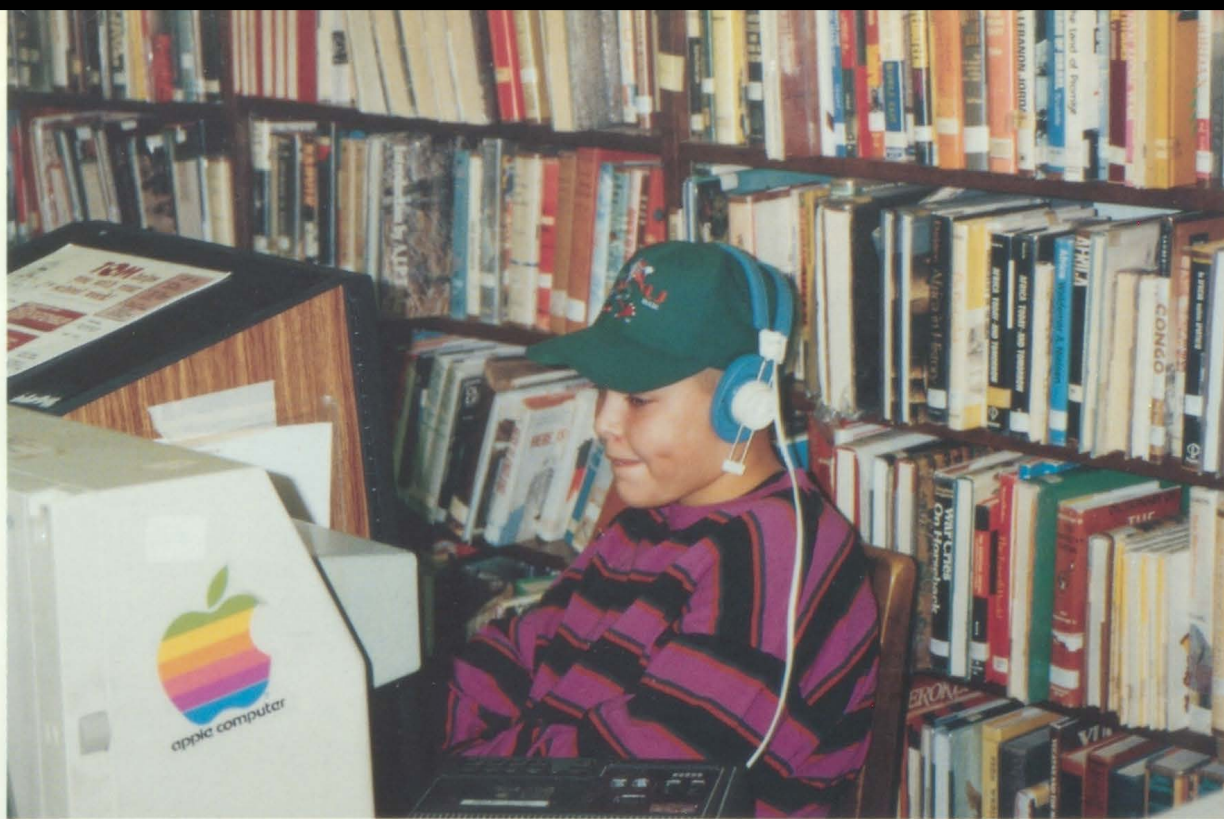

are a moment
in history.

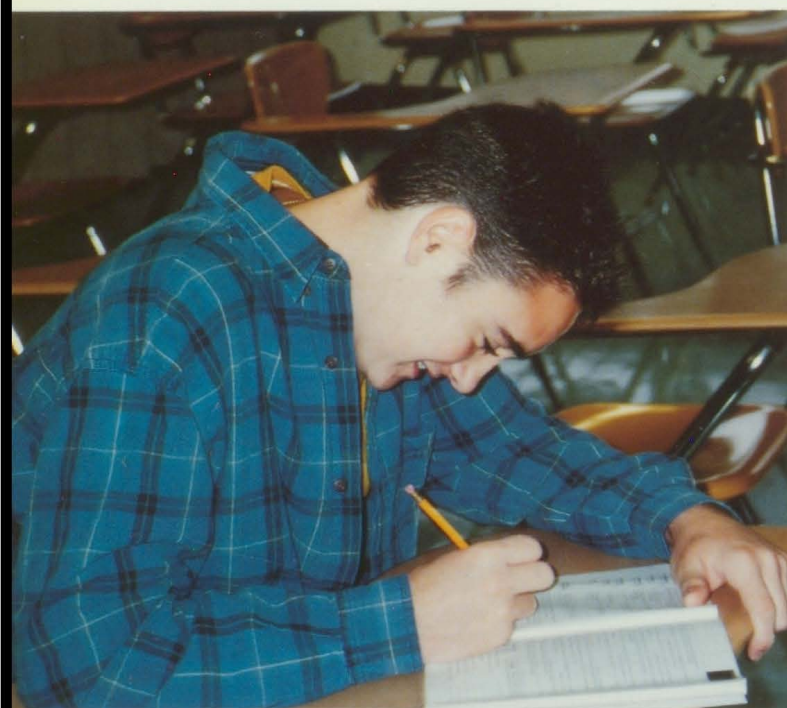

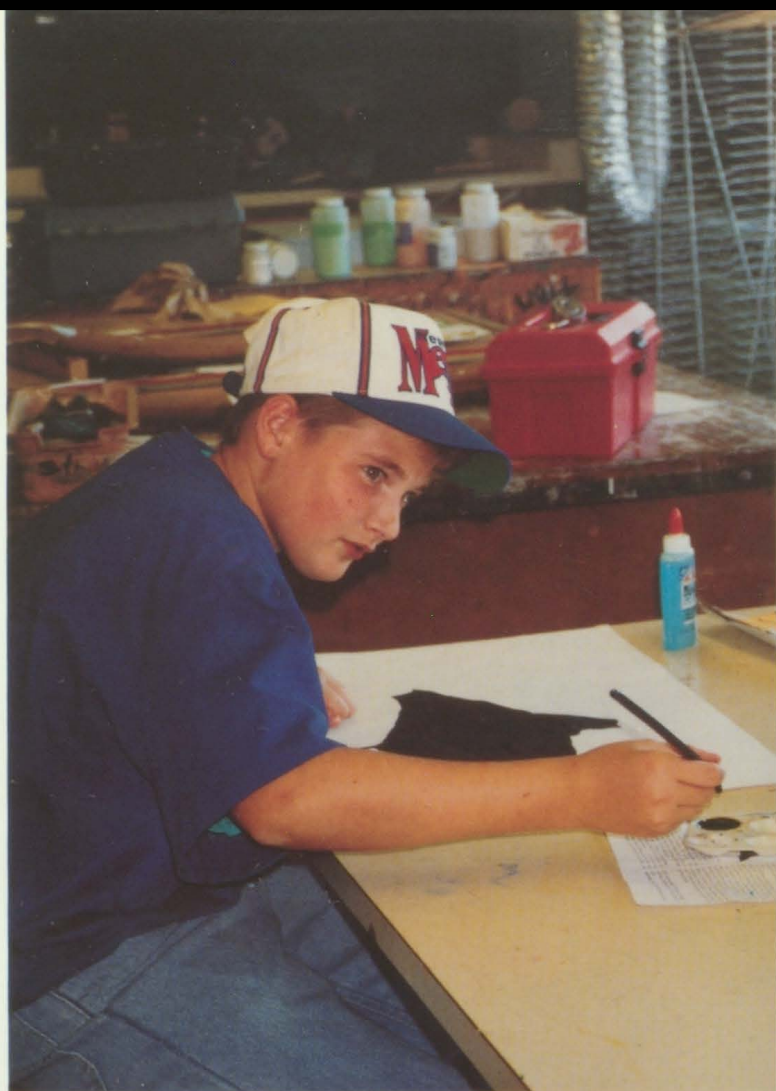

We come to recognize ourselves through others,

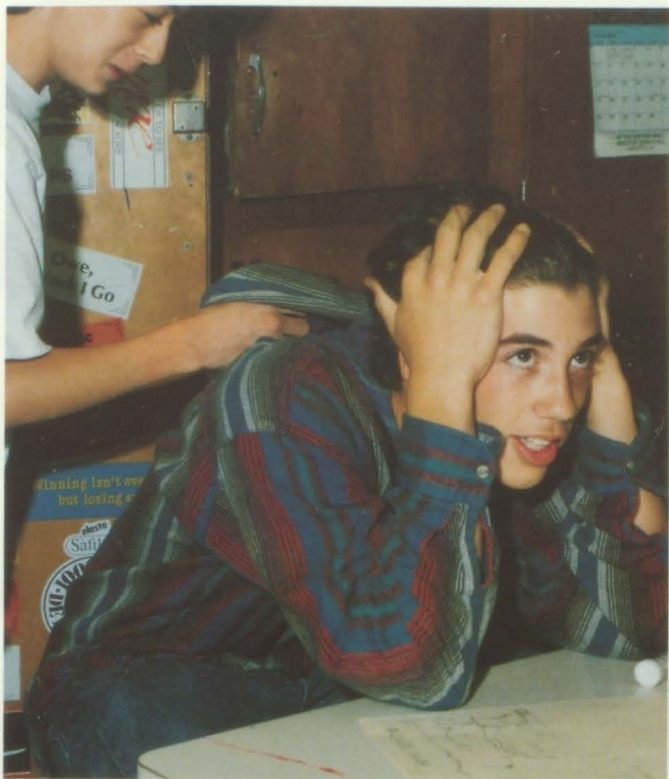

for our friends are mirrors
in which we are reflected.

To change the world

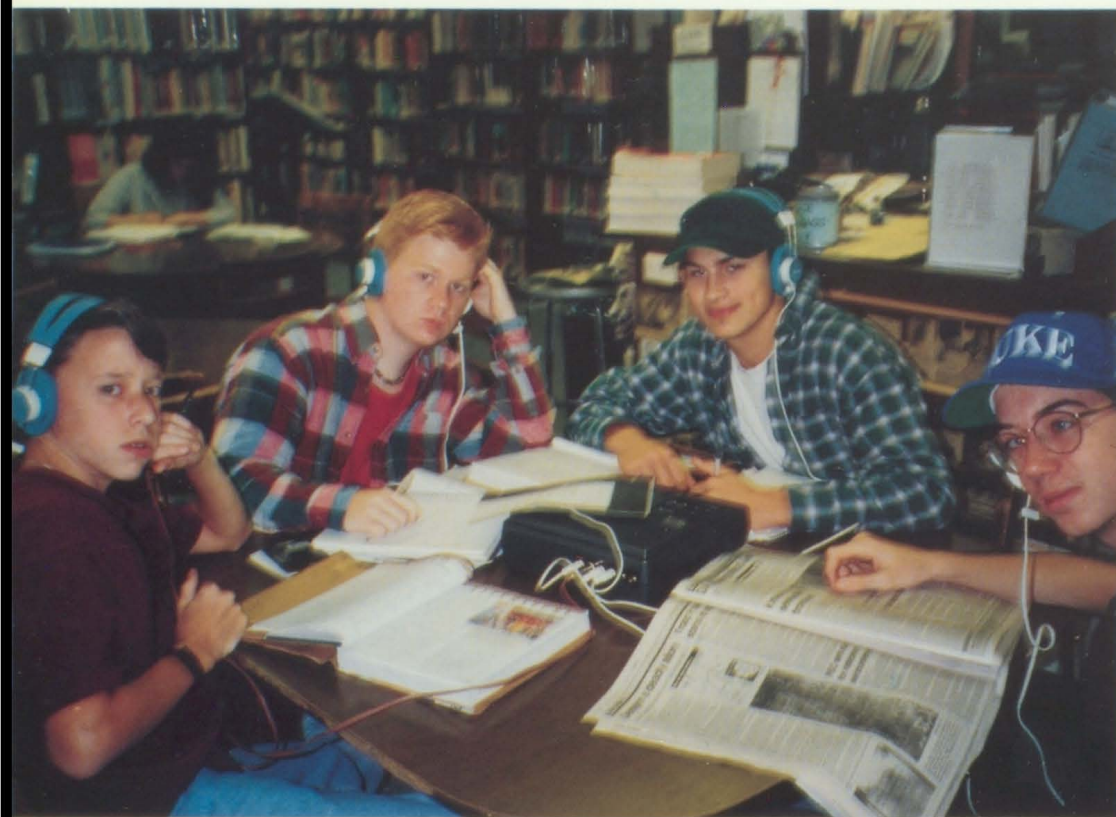

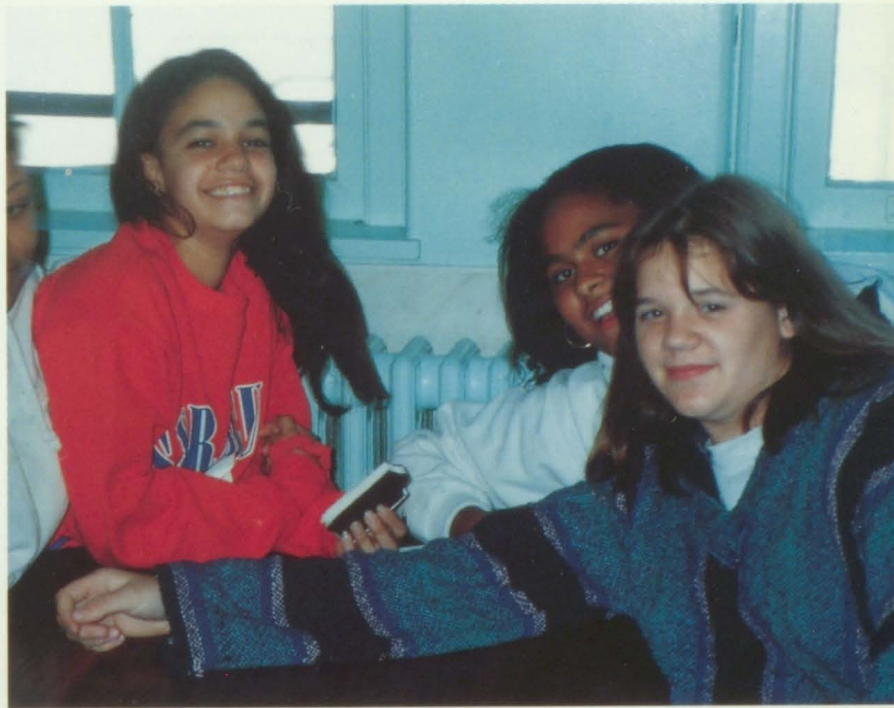

What we do and what we want to

we begin with ourselves.

What we do and what we want to do

are two different things.

We only go around once in life,
but if we make the most of it
Once Is Enough

GOOD STUDY HAD

- Set aside a regular time and place to study.
- Concentrate! Cut out distractions. Take a short break now and then.
- In math and science the first step is to understand the problem. What is given? What is wanted?
- While reading text books, look for the main thoughts in each paragraph and chapter.
- Get additional information from outside sources - either books, magazines, newspapers.
- Review your own work.

The Spring play this year will be two one act plays. The first, is called Choices. The play focuses on divorce, alcohol, drugs, friends and relationships. The second play is called A Thing of Beauty. This play directs its attention to the beautiful—revealing more about themselves than the object under discussion.

The 1993 Girls' Varsity Soccer Team started out on a very positive note beating Eldred 8-0 in the Tri-Valley tournament, and placing second overall. However with lack of experience, with only three seniors leading the team, and various injuries the outlook did not look so good. But the girls did not let that get them down. They worked harder to get into sectional play. The hard work payed off and a couple of weeks later the girls were on a bus to Tri-Valley to face Jefferson-Youngsville in the sectional tournament. Although they lost 2-0 they played hard and gained experience. The girls showed a lot of improvement going from only 2 wins last year to 5 wins this year. With 11 freshmen and sophomores returning next year a succesful season is anticipated. This year's seniors would like to thank the Mrs. Winslow and the team for a great season and would like to wish them luck next year.

As we bring this year to an end we close another chapter of our lives that has for some been the best chapter yet. As we look back on these past few years, all we will see is the memories of the good times and the bad times. There will be the memories of our first loves and our first broken hearts. We will see the problems that aren't so important anymore as we will be faced with greater ones in the future. The hardest part is saying good-bye to our family, friends, and our loved ones. We are all going our separate ways, but one thing we can be sure of is that we will always hold these memories in our hearts forever.

Good-bye

Timothy,

Drive the nail aright boy;
Hit it on the head.
Strike with all your might boy,
While the iron is red.
When you have work to do boy,
Do it with a will.
They who reach the top boy,
First must climb the hill.
Standing at the foot boy,
Gazing at the sky
How can you get up boy,
if you never try.
Though you stumble off boy,
Never be downcast.
Try, try again, boy;
You'll succeed at last.
